Our Services

At Prospera Funding Limited, we assist businesses in accessing finance from a diverse array of lenders and brokers that meet your requirements based on the information you provide to us. We will offer you details about the finance options and the provider to ensure you understand the terms of any offer before you decide to proceed.

You will not receive advice or recommendations from us. We may ask some questions to help narrow down the selection of products or options available to you. Ultimately, you will need to decide how to proceed.

To be clear, Prospera Funding Limited is not a lender; we are a finance broker, and our service aims to introduce you to suitable business lenders or brokers.

We will make reasonable efforts to support the service via phone (09:00 to 18:30, Monday to Saturday, and 09:00 to 14:30 on Sunday, excluding UK public and bank holidays) and by email at support@prosperafinance.co.uk. However, we do not guarantee the availability or response time of the service and reserve the right to withdraw access at any time.

Our Charges

We will not charge you any fees for our service, as we receive payment directly from the lender(s) based on the successful provision of finance. If you wish to know how much we will be paid by the lender, we will disclose this information to you upon request. Please refer to the FAQs tab on our website on how fees work for more information.

Should you have any questions regarding the above, please feel free to contact us.

Your Consent

We consider your continued use of our service as your consent to our terms of business as outlined in this document. If you do not agree to these terms, please notify us immediately, and we will cease providing our services. For your benefit and protection, you should read these terms carefully. If you do not understand any part, please ask for further information.
